Which dog would be the best fit?

WHO IS THE BEST FIT?

The application is from a family who has a really active lifestyle and they like to camp and hike. They are hoping to find a dog who can hike long trails with them and they are open to adopting more than one dog.

3

Facilitator Notes:

WHO IS THE BEST FIT?

The application is from a family who has a tiny house with a small yard. They are looking to adopt a dog who can go on weekend trips to visit family with them.

4

Facilitator Notes:

The application is from a family who has a tiny house with a small yard and they are looking to adopt a dog who can go on trips with them.

(Note: the students may make the case that either of these dogs could be a good fit for the lifestyle of the family if they exercise with the dog)

WHO IS THE BEST FIT?

The application is from a family who has a cat and they want a dog who will be friendly and safe to have around their cat.

5

Facilitator Notes:

The application is from a family who has a cat and they want a dog who will be friendly with the cat.

WHO IS THE BEST FIT?

The application is from a family who has two working adults and two children. The family has time to care for a dog, but said they do not think they have time for a puppy.
